

COMMITTEE ON ECONOMICS, INNOVATION AND PUBLIC WORKS

Welcome from the Chairman

Dear visitor,

Welcome to the Committee on Economics, Innovation and Public Works' website.

Here you will be able to find information about the composition and functioning of this Committee as well as the work it performs in different areas. In particular, you will find information on meetings, hearings and audiences and the consideration of legislative initiatives and petitions.

We hope that this website will help bring citizens and the MPs on the Committee closer together. Citizens can send opinions and suggestions about the different subjects within the Committee's area of competence.

Thank you for your visit.

Hélder Amaral
